

Friends,

We are delighted to serve as Co-Chairs of AJC Cleveland's 75th Anniversary Celebration Committee. We hope you will join us for an extraordinary evening featuring AJC CEO David Harris in conversation with both Senator Sherrod Brown and Senator Rob Portman.

Over the past 75 years, our visionary leaders built a strong legacy, while investing in our future. Today, AJC Cleveland proudly brings AJC's advocacy, bridge-building, and global diplomacy to our community. We stand by Israel, protect Jewish communities around the world, battle anti-Semitism and all forms of extremism, advocate for the spread of democratic principles, and build lasting relationships with other religious and ethnic communities.

AJC understands that the best way to protect the Jewish people is to work towards a world in which all people, not just Jews, are accorded respect and dignity. Although the times and issues are constantly changing, upholding these core values remains as important and relevant as ever.

This evening will celebrate AJC Cleveland's impact. Our work is accomplished through effective advocacy, strategic diplomacy, vital bridge and coalition building, and innovative educational initiatives. It is a testament to our bipartisan, reasoned approach that in today's highly charged political environment, AJC Cleveland is able to bring Ohio's two United States Senators together. We look forward to a thoughtful, respectful, and intelligent discussion on issues that matter greatly to us all.

We hope that you will join us on our 75th Anniversary Celebration Committee. With your gift, you will amplify our voices in addressing the challenges of today's complex world, while helping to ensure a brighter future. We look forward to seeing you on Sunday, May 5.

With warm personal regards,
